

7.2.1

BEST PRACTICE :

1.Inculcate research culture among teacher's

Research makes teacher more reflective, orient them towards thinking and decision making. Active research have not only helped the teachers in upgrading their knowledge but also have introduced innovative teaching methods in classrooms. Research acts as a connecting bridge between traditional and modern educated methods.

Objectives

- To inculcate critical thinking, evaluation, judgement and decision making among teacher's.
- Encouraging teachers to publish research papers.
- Involving teachers in active learning process.
- Encouraging teachers by exposing them in unfamiliar environment which requires skills to be learned to upgrade them.

Success

The data presented above reflects the strong motivation by the college authorities for upgrading and supporting the faculty members and building a research culture in the organization. College authorities provide necessary leaves for the fulfilment of research activities.

Many faculty is trying hard to get cleared competitive exams like NET, SET, GATE etc. to get fellowship, also they have enrolled themselves in minor research project.

BEST PRACTICES:02

2. Experiential Learning :

Our college is known for transforming and empowering students who come from diverse backgrounds ranging from underprivileged sections to affluent ones. One of the best practices is of our college experiential learning using the method of power-point presentations. It helps to facilitate self growth, self worth and actualizing of potential of

the students through myriad ways of empowerment and competence building Teachers give guideline to students regarding various topics and ask them to collect the information and present them through the method of Power Point to help them organize their thinking process.

Conducted various Power Point Presentation conducted by different departments like,

1. inauguration by Commerce Forum
2. Soft skill training by account department in association with technoserve
3. Commerce in Advertising
4. Commerce – Mutual Funds

To motivate students, create interest and enjoyment teachers involve the students by asking them to collect information on various topics and present them with the help of ICT , which helps them to enhance their thinking process. This process helps to develop open mindedness and objectivity within the students.

Objectives

- To create open communication, critical thinking and in depth discussion within the students.
- To promote self learning with the help of experiential learning.
- To inculcate social values like sharing cooperation, team spirit, leadership and compassion among students.
- To built up a bridge between theory and practical's.

Evidence of success

- Various guest lectures and seminars have been organised by the commerce forum.
- To enhance various skills of students training have been provided by account department in association with technoserve.
- For a practical approach students were asked to go for a new product development process where they were even asked to demonstrate the new products , to have a practical exposure among students industrial visits has been organised by various departments like BMS, BA, B.com B.Sc.
- Department of commerce have arranged a visit to BSE, majorly for S.Y.B.Com students as it is a part of their curriculum. Along with them T.Y.B.Com and M.Com students were accompanied.
- On worlds mangrove day , students of F.Y.B.Com, F.Y.B.Sc attended one day seminar at Birla College , Kalyan to create an environmental awareness and mangrove conservational thoughts.
