

7.3 INSTITUTIONAL DISTINCTIVENESS

Mission of our college :

“We are committed to provide Quality Education with a mission to strengthen the minds and expand intellect of our students and to empower them with additional skills so that they could accept and face the challenges of 21st century and also accept the social responsibilities”.

To fulfil the mission of L.D.Sonawane College ,our college’s NSS Unit started celebrating PARENTINE DAY on 14th February for giving the message to their parents as their first love. On occasion of Parentine Day various programmes like singing, expression of their thoughts and love for their parents. Also through this program we try to inculcate importance of Sacrifice, Beliefs and Values of Parents in their children, which helps to determine the person they “Grow to be”. A child is like a sponge that absorbs their parent’s thoughts and viewpoints that will stay with them for the rest of the life.

Parents frame their position under the guise of “Unconditional Love” for their child. It is also important for a child when he grow up he also express his love for their parents. That creates a good bonding between a child and parent.

Though the college is unaided the fee structure is as per University norms. No donation taken for any admission. Several students get scholarships from Government as per norms, which further ensures better education of the economically challenged students.

Teachers are motivated to participate in various programmes which helps them to develop professionally and also upgrade themselves in academics.

Qualified Faculty members are appointed, which ensures high quality of teachers, ensuring quality education under nominal fee structure.

Students at the UG degree courses take up Internships in industries and pursue their projects which gives them hands on training in their field of interest.
