On
Cyber Security From Ethical
Hacker's Perspective
on 20/05/2020 at 11.00am

About the Event
Cyber Security is the protection of computer systems and networks from the theft of or damage to their hardware, software, or electronic data, as well as from the disruption or misdirection of the services they provide.
This webinar will help you to visualize the importance of cyber security from the perspective of an ethical hacker.
