

Laxman Devram Sonawane College, Kalyan

Dated: 14-8-2019

Circular- No Vehicle Day

Subject: Comprehensive drive for elimination of air pollution within a campus

All the teaching, nonteaching staff and students are hereby informed that our college will be conducted 'No Vehicle Day' on 16th August, 2019. All are requested to avoid individual vehicle or can use public transportation facility for travelling purpose.

College is expecting positive support from all the students. The 'No vehicle Day' may support to reduce the air pollution to the certain extent and above that all will inculcate the value of using alternative source of transportation by means of avoiding private vehicles.

Circular- No Plastic Zone

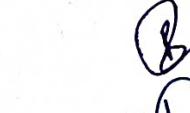

Subject: Comprehensive drive for elimination of single use plastic within a campus

All the students are hereby informed that our college will be conducted 'No plastic zone' drive for all to maintain this campus clean and free from plastic. All are requested to not to use plastic (bags, bottles, wrappers etc) within this area or if it is used are to be thrown in the dustbin labeled as dry waste for the matter of improving segregation.

College is expecting positive support from all the students. The bans for plastic can help to manage solid non-biodegradable waste that will reduce land degradation and our campus will remain clean and healthy.
