Good Experience in Regular lecture & good assessment to the students by the Teachers of College, All high Educated Teachers is teaching in college. Just a bit issue is may be Mam College can extend the lectures from 3 to 4 as quickly completion of the Subject syllabus, or Everyday a Lecture for a subject.

IF possible please give some discount on fees because something any student have not sufficient money to pay....

More job opportunities for students

Excellent knowledge provide by Teacher to Students (Thank you All Teachers)

don't discriminate between students and pay attention to every single student

Not good

Improve the more discipline, of students to come every day clg

All sir and teachers are superb in LDS college but I have to request to the management if students pay 1Sem fees then they deserve results also without paying full annual fees for example I just went to sy and i paid half the fee means 3 sem fee is cleared then I should get the result also

Examination timing should be after 10 because there is something continuous banging of bands for 15-20 minutes which is great disturbance during examination, and because of it we are not able to recollect answers and our 15-20 minutes are wasted from the total time .

Good, keep it up

From my side No Need of suggestions Because Staff are highly Qualified and well Trained.

Change the teacher attitude

Improvement explanation in all subjects and any projects

First revolution the college. And cleaning the college

B+ dete hai bas subko

Publish college officially on linkedin. No doubt linkedin has the best resources that'll not only promote growth, but also enhance visibility of college outside the community and enable students to actively participate in various activities as showcasing it will improve their reach on the platform too.

NIL

Nope

Best guidelines by all teachers

None.

College is good and teachers also good

Some subject syllabus was completed & in some subject they don't teach us 1 or 2 units . So need consistency in lecture . Interaction between teacher & student is good. They help you

resolve doubts. They have great knowledge but some can't implant in Students .

No suggestions thank you

Improve the education for students career

जो स्टूडेंट क्लासेस आते है ज्यादा तर टीचर्स उनपे ही ध्यान देते है // As teacher all students are not equally treat that's wrong in this college
