A classroom should be cleaned from time to time.

Conduct more events and programs

I study in this college and this college is good but I do not like some things like no work is done on time here, any document related or my personal issue. And as far as cleanliness is concerned, the canteen is also not in good condition, and the library is a different matter as classes are held there and no one is able to study properly. My only request is that whether the other things are fine or not, all the work should be done as per the fees you charge and that too immediately. Sometimes we have to wait for 5 hours just for one signature and for certain certificate and other process.

Campus cleanliness was ok ok and water and washroom uff I can't tell it's not good, actual canteen facility mujhe khud 2 saal baad pata chala college me canteen bhi hai library ka toh pucho he mt ek book ek card atleast do toh do 7 subjects hai ek book ek hafta wo bhi filed vaise hai week me 3 days he change kar sakte hai worst thing ever ty hogaya internship nhi hui but 😞 my suggestion was please improve yr college
